

National Construction Authority visits the SACPCMP

On 26 February the SACPCMP hosted the National Construction Authority (NCA) from Kenya. The Executive Management team from the SACPCMP met with the NCS's Executive Director/Registrar of Contracts, Mr Maurice Akech, Board Member, Mr Kenneth Luusa and four staff members.

The purpose of the visit was to acquaint the NCA team with best practices in innovative building materials and technologies, in line with Government's agenda relating to affordable housing.

The discussion focused on information exchange, knowledge sharing and lessons learnt. The NCA is the equivalent of the CIDB in South Africa.

The meeting and discussion paved a way forward to further collaboration in the future.
